This item history document will help you organize and categorize what you know about your item. Include as much information as you know along with pictures of the item from past or present, as well as any related objects such as holsters, scabbards, papers, etc that were with the item when you received it.

Item Name:

Year Made/Stamping(s):

How/Where/When did you receive it?

Family Story or History?

Known Facts:

Other Information:

Pictures:

What we do: Lock, Stock & Barrel Appraisals specializes in antique and vintage firearm, edged weapon and military memorabilia appraisals in Sacramento, Northern California and beyond.

Our mission is to help you understand:

- What you have.
- What it's worth.
- How to preserve and protect it.
- How to sell or insure the item(s).
